Do you know what a Reverse Advent Calendar is? Instead of removing something every day, you make a contribution to the box with items that can be taken to a place in need in order to help those less fortunate that are struggling at Christmas time.

These wish lists from the various charities have been provided to assist you in knowing how to fill the box.

Boxes for each of the charities will be located in the Narthex. Feel free to drop off items at any time, not just on their designated weeks.
